Dear Mr. Joseph,

In accordance with California Water Code Section 10727.8, 353.6, the Madera Irrigation District Groundwater Sustainability Agency (MIDGSA) hereby gives notice that it will begin the development of a Groundwater Sustainability Plan (GSP) in cooperation with other Groundwater Sustainability Agencies (GSA) within the Madera Subbasin.

The public may participate in the planning process of the MIDGSA by attending Madera Irrigation District's monthly meetings held the third Tuesday of the month with Open Session beginning at 2:00pm and special meetings as necessary. The meetings are held at the District Office which is located at 12152 Road 28 1/4, Madera, CA 93637. Additionally, information on SGMA and the GSP process will be available on the Madera Irrigation District website at [www.madera-id.org](http://www.madera-id.org).

MIDGSA looks forward to working with DWR on the development and implementation of the GSP. Should you have any questions, please feel free to contact me at 559-673-3514.

Sincerely,

Thomas Greci
